

Le Mas les Fleurs d'Hilaire

Charming B&B in Provence

Following the COVID-19 pandemic, we have implemented **a new special protocol** with additional health and hygiene measures to ensure the good health of all.

In order to welcome you safely:

- Respect of the gestures barriers throughout your stay
- Complete disinfection of the rooms with masks and disposable gloves before each arrival (including steam disinfected tissues).
- Hydroalcoholic gel available in all common areas.
- Reception and breakfast service with wearing of the mask

In order to limit promiscuity:

- Breakfasts served on separate, designated tables
- For the garden: picnic tables allocated per room
- For the swimming pool: allocation of deckchairs per room.
